IMPORTANT NOTE: For Installment Contracts, all payments are due on the first of each month. Payments received after the 15th of each month will be considered late and will be subject to late fees if full payment is not received within 30 days of the due date. Even if your payroll deduction is made in a timely manner, a late fee still could be incurred if the payment is not received by the program by the due date.

- Necessary deductions to satisfy the full amount due on the TTPF account on the first of each month should be deducted from the prior month's payroll to avoid late payments.
- It is the responsibility of the account purchaser to ensure payments are up to date and current on the TTPF account. Therefore, the account purchaser should make payments by check on a timely basis to avoid incurring late charges until payment by payroll deduction is in effect.

The Texas Tuition Promise Fund® ("Fund") is administered by the **Texas Prepaid Higher Education Tuition Board** ("Board"). Orion Advisor Solutions, Inc. is the plan manager of the Fund. The Fund and the Board do not provide legal, financial, or tax advice and you should consult a legal, financial, or tax advisor before participating.

Non-residents of Texas should consider whether their home state, or the beneficiary's home state, offers its residents any tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for participants in that state's plan.

Participation in the Fund does not guarantee admission to or graduation from any college or university. Only the purchaser may direct redemptions, withdrawals, changes in beneficiary, or other contract changes.

You may lose money by participating in the Fund. No part of a contract is a deposit or obligation of, or is guaranteed or insured by, the Board, the state of Texas, or any agency or agent thereof. The contracts have not been registered with or approved by the SEC or any state. Purchasers should carefully consider the risks, fees, charges, and expenses associated with contracts, including Fund termination and reduced Transfer or Refund Value. Transfer Value applies to redemptions at Texas private colleges and universities, out-of-state colleges and universities, medical and dental schools, career schools, and registered apprenticeship programs and is the lesser of: (1) the costs the units would cover at a Texas public college or university; or (2) the original purchase price of the units plus or minus net investment earnings or losses on that amount. The [Plan Description and Master Agreement](#) contain this and other information about the Fund and may be obtained by visiting www.TexasTuitionPromiseFund.com or calling 800-445-GRAD (4723), option #5. Purchasers should read the Plan Description and Master Agreement, and all other Fund documents carefully before purchasing a contract.
