Return this form and any other required documents by:

Uploading to: access.texastuitionpromise.com/login

Or Mailing to: Texas Tuition Promise Fund P.O. Box 44305 Jacksonville, FL 32231-4305

Section VII. | Reason for the Refund

No specific reason is required, but the reason is important if your Tuition Units do not meet the Three-Year holding period. Please choose in Section II on page 1 the reason that you are requesting a refund. Please note that in many cases, you will need to attach documentation to support your request in order for it to be processed. Forms received without proper supporting documents will not be processed. If you do not have a specific reason, choose Voluntary Refund.

Please do not send originals because the Plan will not return any documents to you. And, be sure to keep documents for tax purposes.

Section VIII. | Amount of Refund Based on Number of Tuition Units Refunded

Please choose in Section III on page 2 the Number of Tuition Units to Be Refunded or specify a dollar amount that you want refunded and we will determine the resulting Number of Tuition Units to be refunded. If you request a refund of more Tuition Units than you have available, we will refund 100% of your available Tuition Units less any fees due to the Plan. In no event will we refund more Tuition Units than you have available or a dollar amount that would exceed the refund value of the total Tuition Units you have available. Any refund request that would cause the account balance to fall below one Tuition Unit will be treated as a request to close and refund the entire account.

- Whether you receive Refund Value or Reduced Refund Value will depend on (1) whether the Three-Year Holding Period has been met and (2) if the Three-Year Holding Period has not been met, the reason you are requesting a refund.
- For Tuition Units that are mature (meet the Three-Year Holding Period), TTPF will pay the greater of the Refund Value or the Reduced Refund Value.
- For Tuition Units that are not yet mature (do not meet the Three-Year Holding Period), TTPF will pay the Reduced Refund Value, unless one of the exceptions described below applies.
- If one of the following exceptions applies, and you provide the required documentation, TTPF will pay the Refund Value, even if the Tuition Units have not yet matured (not met the Three-Year Holding Period):
 - 1. Beneficiary is deceased or disabled,
 - 2. Beneficiary receives a scholarship, or
 - 3. Beneficiary is admitted to U.S. Military Academy.
- To check the status of your Tuition Units, including whether the Three-Year Holding Period has been met, log in to your account at www.texastuitionpromisefund.com, and click on Benefits Information, or call 800-445-4723 (GRAD), option #5, Monday through Friday from 8am to 6pm Central Time.
- See the Plan Description and Master Agreement for details on the calculation of refunds and the Three-Year
 Holding Period. The Agreement is available online at www.texastuitionpromisefund.com/content/tips-tools/forms-materials.
- If the number of Tuition Units refunded includes both mature Tuition Units (have met the Three-Year Holding Period) and Tuition Units that are not yet mature (have not met the Three-Year Holding Period), TTPF will pay Refund Value for the mature Tuition Units and Reduced Refund Value for Tuition Units that have not met the Three-Year Holding Period (unless an exception above applies). Tuition Units are refunded based on the earliest purchase date with the oldest Tuition Units refunded first.

The Texas Tuition Promise Fund* ("Fund") is administered by the <u>Texas Prepaid Higher Education Tuition Board</u> ("Board"). Orion Advisor Solutions, Inc. is the plan manager of the Fund. The Fund and the Board do not provide legal, financial, or tax advice and you should consult a legal, financial, or tax advisor before participating.

Non-residents of Texas should consider whether their home state, or the beneficiary's home state, offers its residents any tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for participants in that state's plan.

Participation in the Fund does not guarantee admission to or graduation from any college or university. Only the purchaser may direct redemptions, withdrawals, changes in beneficiary, or other contract changes.

You may lose money by participating in the Fund. No part of a contract is a deposit or obligation of, or is guaranteed or insured by, the Board, the state of Texas, or any agency or agent thereof. The contracts have not been registered with or approved by the SEC or any state. Purchasers should carefully consider the risks, fees, charges, and expenses associated with contracts, including Fund termination and reduced Transfer or Refund Value. Transfer Value applies to redemptions at Texas private colleges and universities, out-of-state colleges and universities, medical and dental schools, career schools, and registered apprenticeship programs and is the lesser of: (1) the costs the units would cover at a Texas public college or university; or (2) the original purchase price of the units plus or minus net investment earnings or losses on that amount. The <u>Plan Description and Master Agreement</u> contain this and other information about the Fund and may be obtained by visiting <u>www.TexasTuitionPromiseFund.com</u> or calling 800-445-GRAD (4723), option #5. Purchasers should read the Plan Description and Master Agreement, and all other Fund documents carefully before purchasing a contract.
